Health-E-Learning

Sandpiper Education Pty. Ltd., PO
Box 2405 Chermside Centre,
Queensland Australia 4032

Web site: www.health-e-learning.com

Online classes include such topics as:

Introductory Health Courses— Completion of these courses fulfills the pre-exam requirement for candidates who need to document introductory education in these topics required by IBLCE.

BreastEd Online Lactation Series—A series of 10 individual courses which will provide advanced knowledge in all major aspects of breastfeeding and human lactation.

Neonatal Care Series—Neonatal Care is a specialist series for medical and nursing staff responsible for care of the neonate.

Lactation Exam Practice—Lactation Exam Practice comprises 200 multiple-choice questions covering the topics examined in the IBLCE

Examination. It provides practice in exam technique and a knowledge check for candidates.
